

Our Rules of Play expectations

EcoMastery Success Program
~ Preparing the Soil Module 1.2

Our Rules of Play

- 1. People Will Do What You Do**
- 2. Your Past Does Not Equal Your Future**
- 3. Be Honest with Yourself**
- 4. If You Need Help, then Ask**
- 5. Challenges Go Up, Praise Goes Down**
- 6. If You Throw Dirt, You Lose Ground**
- 7. Always Praise in Public and Critique in Private**
- 8. Punctuality for All Meetings and Events**

*People will
do what
you do*

Your Team
will duplicate
what you do;
right as well
as wrong

- ✓ Be accountable for who you are as a person, as a leader and mentor
- ✓ The Law of Attraction - like attracts like; Be great to attract great
- ✓ Lead the way by showing the way
- ✓ Your actions speak louder than words
- ✓ Aim to become the best you that you can be

*Your past
does not
equal your
future*

**This Opportunity is for everyone –
irrespective of their past**

- ✓ You may need to let go of some things in your past to embrace an exciting future
- ✓ You cannot change your past, however you can change your future
- ✓ You may need to unlearn and clear out some things to make room for progress
- ✓ Time for a 'clean slate' - do not let your luggage define your travels

Be honest with yourself

Your honesty with yourself
is paramount

- ✓ If your beliefs are not leading to a happier, healthier, more fulfilling and satisfying life, it may be time to replace them
- ✓ Identify areas where you need to grow and take action to improve
- ✓ Believe the best about yourself and others
- ✓ You do not have to be sick to get better

*If you need
help, then
ask*

You can either learn
from your own mistakes
or learn from others

- ✓ Seek honest feedback to identify areas where you need to grow – we are here to help
- ✓ A candle loses nothing by lighting another candle
- ✓ Should you need help, speak up - be humble yet courageous enough to ask
- ✓ Do not let a 'speed hump' become a 'roadblock'

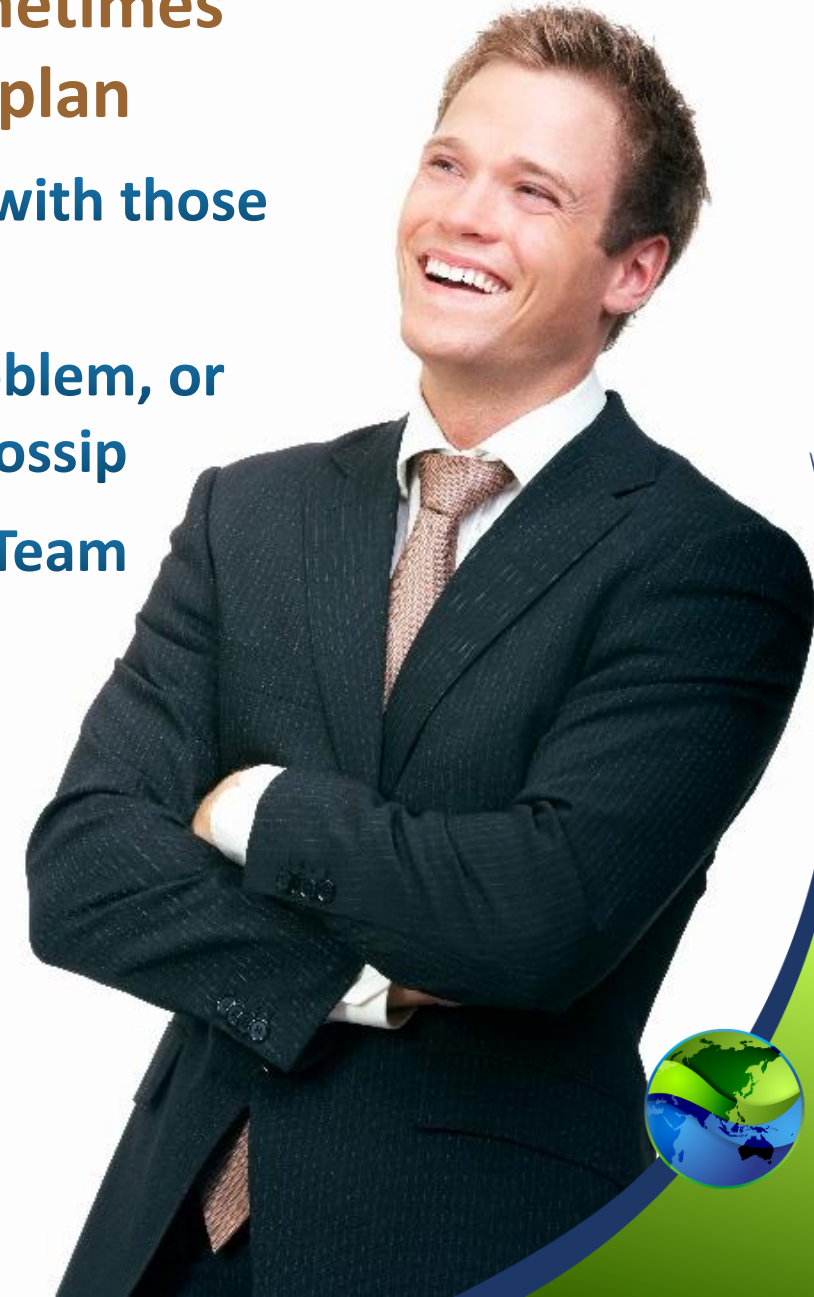

Challenges go up, praise goes down

We are all human, and sometimes things do not always go to plan

- ✓ Only discuss any challenges with those above you who can fix it
- ✓ If you are not part of the problem, or part of the solution, then it is gossip
- ✓ Gossip will undermine your Team and erode unity - avoid it

- ✓ Ensure praise marinates your Team and organisation
- ✓ Catch people in the act of doing something great
- ✓ Recognise and reward the behaviours you want, rather than focusing on those you do not want

*If you throw
dirt, you
lose ground*

Never criticise
someone or any
other opportunity or
business in public

- ✓ A behaviour that publicly finds fault in others is often duplicated within an organisation and erodes leadership
- ✓ Truth has a way of coming out in the end
- ✓ Your role is to lead the way and lift others up to show what is possible
- ✓ Live in such a way that if someone should speak badly of you, no one would believe it

*Always
praise in
public and
critique in
private*

Encouragement is oxygen
for the soul

✓ When we praise in public,
we celebrate the person,
recognise the achievement,
and promote a culture of
celebration and achieving

✓ Out of respect, any need
for critiquing always do so
in private

✓ Build a culture in your
Team and organisation of
support and encouragement

Punctuality for all meetings and events

Events form an important role in connecting, training, empowering and encouraging

- ✓ For all events - start and finish on time where possible
- ✓ We respect each other and each event by being on time, every time
- ✓ Encourage Guests to arrive early, and be there to greet them
