Your financial health check

The heart and soul of EcoForce Global is all about sustainability for our planet and for our Advocates

- ✓ It is one thing to create wealth – it is another to keep it

- ✓ There are only 2 ways to make money:
 - (i) Work for money
 - (ii) Put your money to work

*“The goal isn’t more money.
The goal is living life on your terms.”*

- Will Rogers

The Borrower is slave to the Lender

“Beware of little expenses, a small leak will sink a great ship” – Benjamin Franklin

- ✓ Take steps remove all debt as quickly as possible
- ✓ Embrace wise financial habits to manage your wealth
- ✓ Create a monthly budget to take control of your finances and stick to it

“A budget is telling your money where to go instead of wondering where it went.” - Dave Ramsey

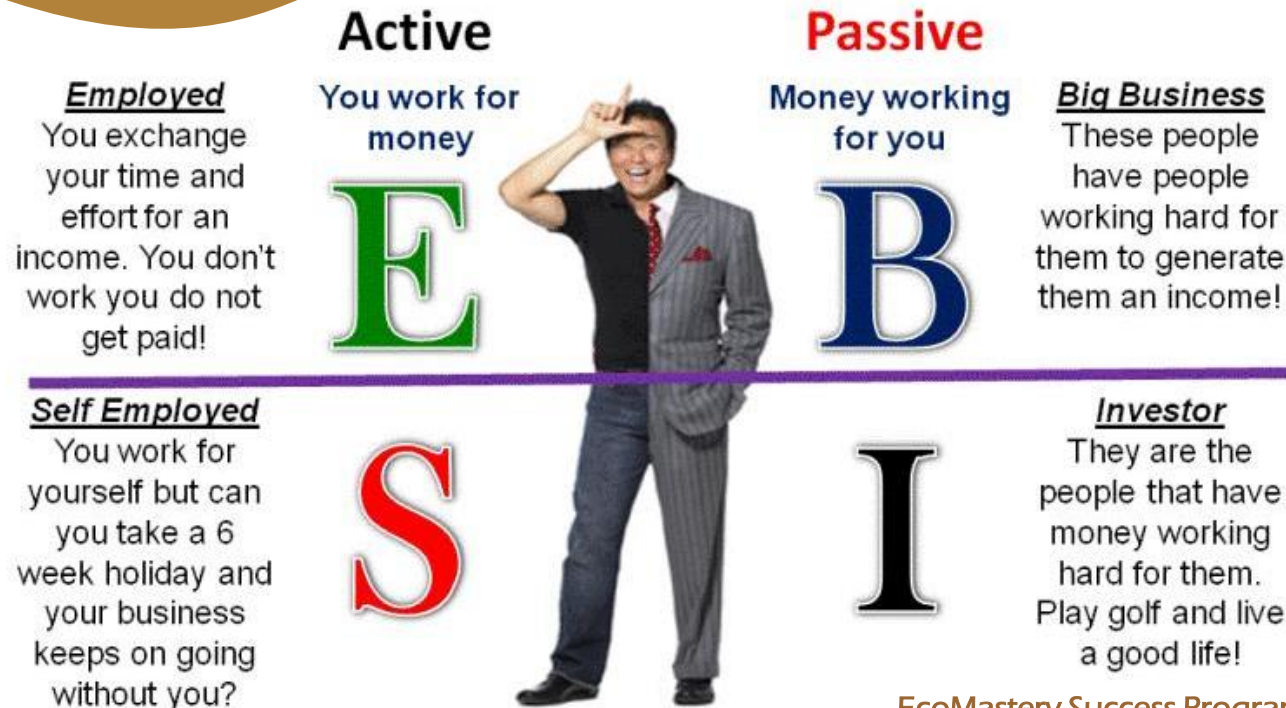

We recommend Dave Ramsey's
‘Financial Peace University’

Financial Security, Financial Freedom and MSI's

As you create a significant income from the Advocate Rewards Program;

- ✓ Position yourself in the I Quadrant - investor
- ✓ Achieve financial security from the EcoForce Opportunity
- ✓ Build for financial freedom through wise investments
- ✓ Learn and embrace multiple streams of income (MSI's)

*“Financial freedom is available to those who learn about it and work for it”
– Robert T Kiyosaki*

The 3 Habits that control your money

Money is not the answer to their financial situation, changing their money habits is where the answer lies

Habit # 1 DEFICIT – the person is in debt; they spend more than they earn

Habit # 2 BREAK-EVEN – the person has no debt, yet nothing left over after all expenses are paid

Habit # 3 SURPLUS – the person has money left over after all expenses have been paid

Poverty or abundance mindset

*“Wealth is the ability to fully experience life”
– Henry David Thoreau*

✓ A **poverty mindset** is one where there is never enough and there will never be enough, and is about protecting self

✓ An **abundance mindset** is there is always more than enough, and look for ways to add value to others

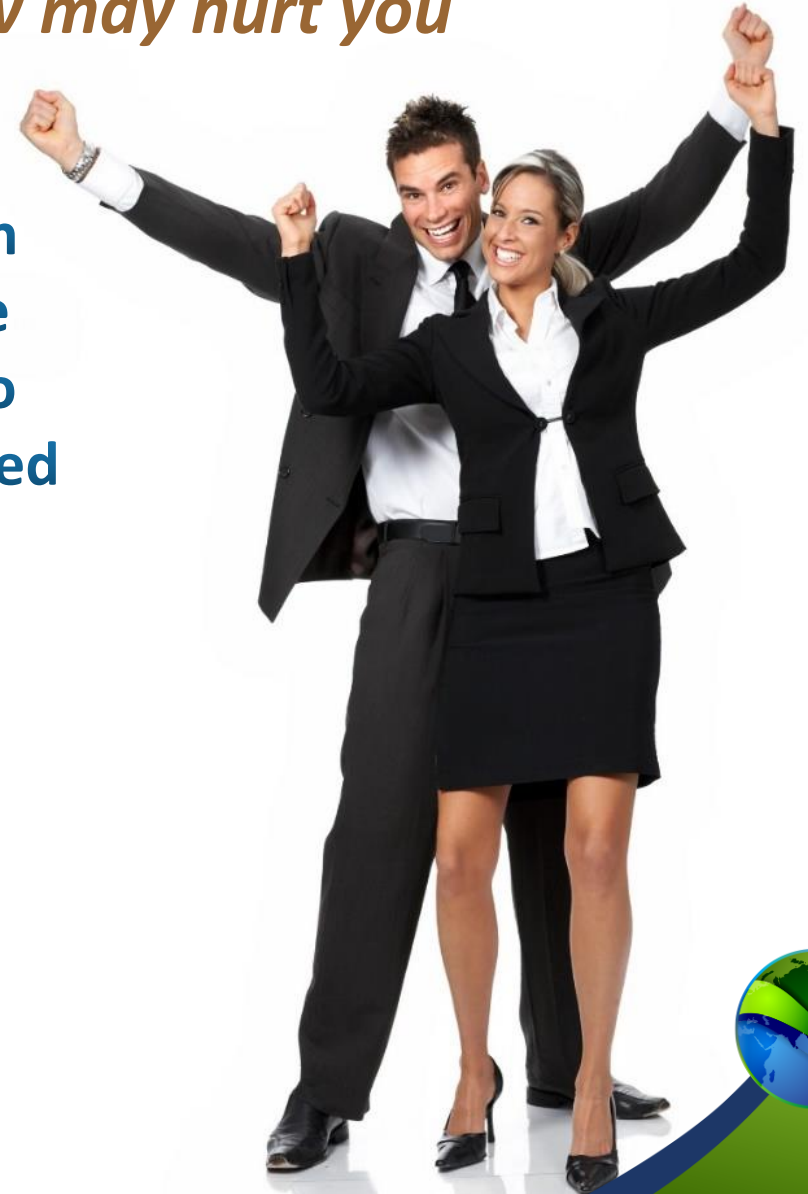

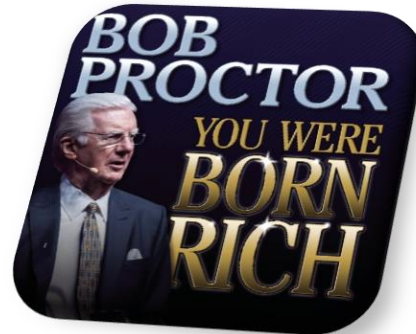

Seek advice from a trusted professional Financial Advisor

*Contrary to popular belief,
what you do not know may hurt you*

✓ Just as we seek the
advice of a professional in
other areas in our life, we
strongly encourage you to
seek the advice of a trusted
Financial Advisor
