2015 created charity; *Rural Aid*

Buy-A-Bale Fundraising Program raised over **\$100 million**

OPPORTUNITY for Farmers to **capture CO2** by changing farming practices and **repairing OUR PLANET**

EcoForce Global *Mission*

“Empowering people through knowledge and action to plant enough trees to sequester (capture) 30% of the world’s annual carbon output through intelligent and sustainable planting of trees to reduce the effects of global warming and create a living legacy for all”

*Planting trees is the **foundational step** in **land repair***

- ☑ Farmers transition from industrial farming methods to **Regenerative Agriculture**
- ☑ Store billions of tonnes of carbon – **restore balance**
- ☑ Trees **naturally** sequester carbon
- ☑ Planting trees is hard, **but we make it easy**

EcoForce Global Tree Planting Program

- ✓ **Over 50% of the world's land – owned by Farmers**
- ✓ **Farmers – GREATEST OPPORTUNITY to sequester carbon**
- ✓ **Work with Farmers, local nurseries and non-profit community groups**
- ✓ **Repairing hundreds of millions of acres of low productive land**

*Together, we CAN
make a **DIFFERENCE***
