How it works

This is a once in a lifetime opportunity

Every EcoForce Global Advocate has **90 Days** from the date they register to decide (and prepare) if they would like to **participate in** and **enrol** in the **12-month EcoGOLD Program**

Should an Advocate choose not to enrol in the 90 Days, they will **forfeit** their opportunity to participate in the EcoGOLD Program

All EcoGOLD Rewards achieved are issued at the **conclusion** of the EcoGOLD Program for **eligible participating Advocates**

Our Gift to YOU

All you have created in your organisation up to now will be **credited to you** should you decide to enrol EcoGOLD Program

For ALL **current** Advocates, your **90 Day PREPARATION PERIOD** commences **NOW**

You have until **2 February 2022** to decide (you must enrol in EcoGOLD on or before this date)

Eligibility

An Advocate can **enrol** in the EcoGOLD Program **at any time prior** to their 90 Day cut off date, yet not past the 90 Day period

Participating Advocates must have **30 Points Qualification** each month of the EcoGOLD Program

The EcoGOLD Program includes **compulsory monthly training** at an investment of just \$500AUD per month over the 12 months

Should an Advocate not fulfil any of the above, they **forfeit** their eligibility to continue in the EcoGOLD Program

Prepare for success

Use your 90 Days wisely

Step 1. Your goal is to **sell trees** and **find Advocates** who also would like to participate in the EcoGOLD Program and get them started before their 90 Day period expires

Step 2. Follow the **5 Steps** in the **Module 1.4 Getting Started** of your EcoMastery Success Program with **every Advocate** – the more you can create in the 90 Day period, this gives you a **head start** for your EcoGOLD Program
